To Whom It May Concern:

Devon & Dorset has been a preferred contractor with Wessex Water, over many years. They have worked for various departments, including Property Management, Statutory Group and Facilities Management and have successfully conducted works in the following areas:

- Legionella Risk Assessments
- Provision of Customised Site Water Management Log Books
- Training of Wessex Water Operatives in On site Legionella Control & Management
- Health & Safety Compliance Audits
- Asset Surveys & Maintenance Management Manuals
- Compilation of Health & Safety Management Log Books
- Asbestos Removal Project Management
- MDHS 100 Type 2 Asbestos Risk Assessments

Devon & Dorset have shown that they can work to tight deadlines and have proven to be flexible to our needs. We found the management team and administration staff to be professional, courteous and helpful at every stage of the project and they conduct their works on site with minimal disruption to our operations.

We would recommend Devon & Dorset Building Management Ltd to any company and we are prepared to act as referees for them at any time.

Yours faithfully

Mr Gerald Bradford
Property Manager for Engineering & Organisational Development.
